

Community Capacity Builder Model

Jeder....at the heart of change

The Jeder Institute creates positive changes for individuals and communities by bringing people together to realise their full potential, increase collective knowledge, explore insights and engage community members in conversations that matter.

- Participant Focus gifts, strengths, passions, interests
- Community Focus -Inclusion & Contribution opportunities
- Participant / Community Match

Planning

Connecting

- Identify Community Champions
- Build Participant Contribution skills and Natural Community Supports
- Support Participant and Community

- Phase out over time
- Exit when appropriate for all
- Monitor at a distance and support if necessary
